10.30am-2.30pm

Maximum Handicap 36

£12 per couple—individual entries welcome
Entry forms are available from the clubhouse or online:
www.langlandsgolfclub.co.uk

The Langlands Open was a great success on Saturday 16th June, despite some wet weather. The course was in fine condition and drew a lot of praise from the players on the day. Thanks to everyone who took part either as a player, volunteer or by sponsoring a hole or donating a raffle prize.

Langlands players took home the major silverware this year, with Thomas Hendry winning this year's Open Trophy with a fine nett 66. Jamie Barwood is this year's Junior Open Champion after carding a nett 67. Well done to both.

The 11th hole has had 2 holes in one during medal competitions within a few weeks of each other. Grant Cuthill achieved his ace on the 19th of May, with Jock Borland following Grant with his own on the 23rd of June.

Congratulations to both, and well done in buying everyone a drink on the day. Cheers.

A date for your diary—we are having a Race Night on Saturday 8th September. We hope as many members and their guests will support this evening, it will be great fun.

Ladies, Gents and Senior teams have been representing Langlands across various competitions this summer, thanks to everyone who has given their time to take part.

All team results are posted on the club website, have a look at the Team Fixtures page for score updates.

Watch all the latest golf and football with a few drinks at Langlands as we now have Sky Sports and BT Sport available in the clubhouse.

All the latest club news and information is updated every week on our website: <https://langlandsgolfclub.co.uk>. You can also add your name to our mailing list which ensures you are kept up to date with all club events, as we send out regular email updates.

Plantation areas on course

The blue and white staked areas at holes 4,5,8 and 18 are classed as plantations areas. Should your ball come to rest in one of these areas you are required to take full relief without penalty, at the nearest point not nearer the hole.

There are also several new plantations of willow trees on the course. Free relief at the nearest point not nearer the hole should also be taken from these spots.
